Role-Based Training Paths

Use the **Training Paths** table below to help you determine which courses to take.

The course topics are listed in recommended order, beginning with *Fundamentals*. Course titles within each topic are also listed in the recommended order. Each topic identifies one or more occupational roles for which training is recommended. To confirm which occupational roles match your job description, refer to the **Role Description** information that appears below the **Training Paths** table.

To view the courses associated to a training path topic, [return to p. 1](#) and locate the corresponding topic in the course listings table, in the green header bars.
