

Set Up an Account with Blackbaud Merchant Services™

A Quick Start Checklist

Before we assist you with setting up your Blackbaud Merchant Services account, it would be helpful to collect the information you'll need to enter. You will not need to provide this information to anyone at Blackbaud, but you will enter the data during provisioning of your account via our [secure online portal](#).

Select the link to the checklist based on your organization's location:

[United States](#)

[Canada](#)

[European Union/United Kingdom](#)

[Australia/New Zealand](#)

System Requirements

Browser for web portal:

- Internet Explorer 11 or later
- Latest version of Safari, Firefox, or Chrome
